REPORTS PRESENTATION

The invited, plenary and oral reports will be including on conference sessions. And, the posters sessions will take place.

EXHIBITION

During the conference will be an exhibition of laboratory equipment of the Ukrainian and foreign producers, as well as demonstration of the participant's models of electronics to structures which include the thin-film elements.

COMPETITION

There will be special awards for the best reports of young scientists. To participate in this nomination is required during the on-line registration to mark an application in the corresponding cell.

SPONSORS

Sponsors from Ukraine and foreign countries are invited to conference support. Sponsors will be acknowledged along with their organization's logo or trade mark in the conference materials. Financial support is welcomed and those wishing to contribute should contact with conference organizing committee.

Full conference information will be placed on conference web-page.

FIRST ANNOUNCEMENT

XV International Conference on Physics and Technology of Thin Films and Nanosystems (ICPTTFN-XV)

May, 11-16, 2015

**Ivano-Frankivsk,
Ukraine**

ORGANIZERS

MINISTRY OF EDUCATION AND SCIENCE OF UKRAINE

- State Fund of Fundamental Researches
- Vasyl Stefanyk Precarpathian National University:
 - Physical-Chemical Institute
 - Science & Educational Centre «Nanomaterials in Accumulation and Generation of Energy Devices»

ACADEMY OF SCIENCE OF THE HIGH SCHOOL OF UKRAINE

NATIONAL ACADEMY OF SCIENCE OF UKRAINE

- V.E. Lashkarev Institute of Semiconductor Physics
- A.A. Chuyko Institute of Surface Chemistry
- G.V. Kurdyumov Institute of the Physics of Metals
- V.I. Vernadsky Institute of General and Inorganic Chemistry
- Gazi University (Turkey)
- Ukraine Physics Society

IMPORTANT DATA

- 20.02.2015** – Abstract submission deadline
- 10.03.2015** – 2nd Announcement
- 10.04.2015** – Deadline for Publishing Fee
- 11.05.2015** – Registration Fee
- 11.05.2015** – Registration, Opening of Conference
- 11-16.05.2015** – Conference sessions

REGISTRATION AND ABSTRACT SUBMISSION

Participant registration and submission of abstracts will **only online**:

http://www.pu.if.ua/inst/phys_che/start/conference_15/

Each participant will receive a unique username and password upon registration to log in and downloading for abstracts. The ability to download of abstracts will be open at any time prior to the deadline – **February 20, 2015** (up to 24⁰⁰ of the Kyiv time).

FEES

For Ukrainian participants.....400 UAH.
For foreign participants150 USD.
Publishing fee for each abstract.....200 UAH (or 12 USD).

All payments must be transferred in UAH.

Details for purchase of registration fee will be specified in Second Announcement and on the Conference website after March 1, 2015.

LANGUAGE

English; Ukrainian.

TOPICS

1. Thin films technology (metals, semiconductors, dielectrics, conductive polymers) and their research methods.
2. Nanotechnologies and nanomaterials, quantum-size structures.
3. Physical-chemical properties of thin films.
4. Thin film compounds for electronic devices, nanoelectronics.
5. Functional crystalline materials: growth, physical properties and applications.
6. Thin films technology for energy saving.
7. Innovative methods for teaching.

ABSTRACT PREPARATION

Conference materials (abstract book) will be published before Conference opening. **Abstracts must be on English (!)** and confined no more than one page (size A4) with figures, tables, photos, and reference. All page boundaries should be 2.5 cm with 1 line-spacing using MS Word and Times New Roman font (14 pt.) text. The abstract title should be in **bold** font 16 pt. and centred. Following the title include one line space and then the authors' names (14 pt, non-bold) and affiliations (12 pt., *italic font*).

One line space must take place before the main abstract text and one line space before references.

At use **the tables**, the signature write above the table with a centering by right edge, and *italics*. The formulas must be written in MS Word 2007 Equation or high, or in MathType. All **signatures** placed inside of figures and formulas should be induced by font **14 pt**.

The abstract example will placed on conference web-page.

The speaker should be underline. It is limit for each author no more two abstracts.

Abstracts must be submitted electronically (**.doc**, **.docx** or **.rtf**).

CONFERENCE PUBLISHING

In addition to the technical program the best papers will be published in the scientific journal, "Physics and Chemistry of the Solid State" (ISSN 1729-4428). Information for authors can be find on PCSS journal web-page:

http://www.pu.if.ua/inst/phys_che/Start/pcss

The journal indexed by Index Copernicus, Ulrich's Periodicals Directory, Directory of Research Journal Indexing, Scopus (in progress), DOAJ (in progress)).
